RESOLUTION NO. 2017-02

A Resolution of the Washington Multi-City Business License and Tax Portal Agency Executive Board authorizing the expansion of tax payment services for the Cities of Bellevue, Seattle, and Tacoma.

Whereas, the Washington Multi-City Business License and Tax Portal Agency ("Agency") was originally established under the Interlocal Agreement By and Between the Cities of Bellevue, Everett, Seattle, and Tacoma, dated March 1, 2014 ("Interlocal Agreement"); and

Whereas, the Interlocal Agreement authorized the Agency to create an online "portal" to enable businesses to pay Gross Recipts Taxes owed to participating cities and to apply for Business Licenses in participating cities; and

Whereas, the Interlocal Agreement further contemplated that the online portal's capabilities could be expanded to handle payment of additional types of city taxes and applications for additional types of city licenses, if approved by a supermajority vote of the Executive Board; and

Whereas, the Cities of Bellevue, Seattle, and Tacoma desire to use the portal to enable payment of additional types of city taxes; and

Whereas, Executive Board of the Agency has determined that expanding the portal's capabilities so that it can handle the collection of additional types of city taxes for the Cities of Bellevue, Seattle, and Tacoma is consistent with the Agency's purpose, so long as the additional costs of expanding the portal to include the ability to pay such additional taxes is allocated solely to the Cities of Bellevue, Seattle, and Tacoma, respectively for their specific changes;
